

RTCS Athletics

The Robinson Township Christian School Athletic Department seeks to glorify God by encouraging students to “give Him the supremacy” (Col. 1:18) in every part of their life. Therefore, athletics at RTCS is designed to train students in such areas as discipline, patience, working together, sacrificing personal goals for the team, submitting to authority, humility, hard work, perseverance, etc. In short, athletics is another avenue used by God to help our students become more like Christ, so that their “attitude should be the same as that of Christ Jesus” (Philippians 2:5)

SOCCER

(Fall)

Co-ed soccer is offered for students in 7th through 12th grades, and we are a member of the Southwest Christian Athletic Conference. Home games are played at Burkett field in Robinson

BASKETBALL

(Winter)

RTCS offers basketball for 5th - 12th grade middle school and high school boys, and for 7th - 12th girls. Students practice at the Robinson YMCA and games are played at Robert Morris University.

TRACK & FIELD

(Spring)

RTCS offers Track and Field to boys and girls at both the middle and high school levels. Track meets are held at Geneva, Messiah College, and Columbiana, OH, to name a few. And in 2009, RTCS hosted its 3rd annual Track & Field Invitational at the Robert Morris Island Sports Arena Track complex.

RTCS is always looking to offer more sports as the student, parent and coaching interest allows.

We also have need for more assistant coaching volunteers.

Please call Brett Wirebaugh (412-787-5919) if you have any ideas or suggestions!
